

Freedom Star Block #22

May 31, 2010

Firecracker Star Block

Firecracker Star Block
Freedom Star Colors

12" x 12" Finished

The Firecracker Star Block is made up of four fabrics, three colors in the chevron, red, white and blue with a lighter blue background.

You will need to download the PDF file for the Firecracker Star Block – Paper Piecing Pattern. Then print and stitch out four each of section A and section B.

Notice that the red and blue fabrics are reversed for two of the sections.

So you will need two sections with A1 as red and A3 as blue

And two other sections with A1 as blue and A3 as red.

The same goes for the B sections.

Combine one section A with one section B. Repeat four times.

Combine AB sections as shown in color photo to make finished block.

Being careful to match points where the colors meet.
